

## THE PROBLEM

Frustrated by long lines of unorganized, unhappy students trying to gain admission to the game?  
Restricted by a scanning solution that requires an attendant for every scanner?

## THE SOLUTION

### SELF-SCANNING TURNSTILES FROM ALVARADO

- Allows students to swipe their student ID, scan their mobile device or scan their paper ticket without the assistance of an attendant
- Empowers a single attendant to manage multiple entry lanes
- Provides a positive guest experience while preventing tailgating, line breaks and other disruptions
- Prints seat locator slips—students only need to bring their ID
- Available as a permanent installation or a portable solution (with attached baseplate)

### Why Alvarado?

Alvarado is America's leading entry control products manufacturer. Founded in 1956, Alvarado turnstiles and gates are installed in thousands of locations throughout the world.

Our superior product quality, integration expertise and industry leading service and support are just a few reasons that many of the world's most respected companies use our products again and again.
